**Subject: Acceptance of Degree, Mark-sheet and other educational documents presented through the DigiLocker platform – reg.**

Respected Madam/Sir,

As you are aware, National Academic Depository (NAD) is an online storehouse of academic awards (Degrees, Mark-Sheets, etc.) lodged by the Academic Institutions in a digital format. It facilitates students to get authentic documents/certificates in digital format directly from their original issuers anytime, anywhere without any physical interference.

The Ministry of Education (MoE), Government of India has designated the University Grants Commission (UGC) as an authorized body to implement NAD as a permanent scheme without levy of any user charges in co-operation with the DigiLocker as a single depository of NAD. Academic Institutions can register themselves and upload academic awards of their institution on NAD through DigiLocker NAD portal.

The DigiLocker platform of the Ministry of Electronics and Information Technology (MeitY), Government of India has the facility to pull students' Degree, Mark-sheet and other documents into the issued documents section in an electronic form once uploaded through the DigiLocker-NAD platform by the original issuer. These electronic records available on DigiLocker platform are valid documents as per the provisions of the Information Technology Act, 2000.

To enhance the reach of the NAD programme, all Academic Institutions are requested to accept Degree, Mark-sheets & other documents available in Issued documents in DigiLocker account as valid documents.

With kind regards,

Yours sincerely

(Rajnish Jain)
