THE UNIVERSITY

Preamble

The Himachal Pradesh Technical University (HPTU) was established in the year 2010 by an Act of Legislative Assembly of Himachal Pradesh with an objective for value creation and welfare of the society through technical education, training, research, innovation, entrepreneurship and continuing education programs. At the same time, the University is responsive to changing and exceptional requirements of our society and economy and contributes to find answers to global problems. The University offers both short-term and long-term programs leading to Advance Diploma and Degrees, which are conventional as well as innovative through public and private participation. Most of these programs have been developed after an initial survey of the demand for such Programs. The programs offered are designed to equip graduates and postgraduates with the necessary skills and expertise to be the leaders in their chosen professions. The key to success lies in the high premium it places on innovation, along with the work that is done by different players and stakeholders to promote the University achievements in the fields of Science, Engineering and Technology. This is being achieved through a benchmarking system, which ensures that training and research programs always meet the highest standards. National Education Policy – 2020 is being implemented in all the programs.

Vision

Our vision of autonomous Himachal Pradesh Technical University as dynamic, flexible institution promoting research led interdisciplinary learner-centric technical education which generates added value in teaching-learning, research and knowledge required for promoting integrated national development with global understanding.

Core Values

A primary core value of any university is academic freedom, which is enshrined in the Constitution of the Republic of India. This core value must be buttressed by institutional autonomy, but within an environment where public accountability is seen as a virtue. Principles and behaviours defined in the Charter must accord with these and the institutional core values below:

- **Customer Service; Integrity; Diversity and Innovation**

Message of Hon'ble Vice Chancellor

Students and Parents,

It is my privilege to welcome you to Himachal Pradesh Technical University which was established by the Government of Himachal Pradesh in the year 2010. The prime objective of this University is to disseminate advance knowledge, wisdom and understanding in the fields of education, research and training in Engineering, Technology, Pharmacy and Management, and imbibe all those qualities which are essential to make our students contribute effectively to the advancement of the society.

All are aware that the Engineers and Scientists can best be thought of as creators, innovators, problem solvers, builders and leaders in the World. Keeping this fact in mind, Himachal Pradesh Technical University provides quality technical education in different fields to prepare the students enrolled with it to become good contributors to the society in all respects. The degrees offered by this University in various streams are the gateway for the upward growth of the students to pursue their career.

To achieve Sustainable Developments Goals (SDGs) adopted by all United Nations Member States relating to education such as SDG-4 (quality education), SDG-5 (gender equality), SDG-1 (no poverty), and SDG-8 (decent work and economic growth)-In India, recent National Education Policy (NEP) envisions a transformative approach to inclusive education for diverse backgrounds of the students and emphasized to create an environment that enables, honours and promotes diversity. Accordingly, the University has designed a curriculum framework with multiple exit and multiple entry for dual degree programme (BS-MS), (BS-MBA) with honours, blended with STEM subject such as Computer Science/Management Sciences/Data Science/Business Analytics and Sustainability/Development Studies and Public Policy/Sciences/Engineering/Pharmacy. In the curriculum framework of UG and PG programmes, the provisions have been made for the students to undergo one semester industrial/research internship programmes under the ambit of University-industrial-interaction. These industrial/research internships are aimed to improve employability skills and can help in developing competency, capability, professional working skills, expertise and confidence among the students for employability and developing interest for research.

By encouraging inclusive education, the Technical University is committed to ensure that every student receive a quality education and is equipped with the skills required in the 21st Century, irrespective of their background or ability.

I invite all students and their parents who are seeking admission in institutions and main campus of Technical University to take up this opportunity and together we can create an education system that empowers minds, transforms lives and builds an equitable society.

Message of Dean - Academic

Dear prospective Students,

It is a matter of immense pleasure for me to be a part of the Himachal Pradesh Technical University (HPTU), Hamirpur family as its Dean (Academic). I take this opportunity of welcoming students coming from all parts of the world, joining the University in undergraduate as well as postgraduate programmes. In their quest for knowledge, most of such students shall be moving away from the folds of their family. One needs to realize that they are just moving away from one family fold to another. Their teachers, seniors and peers, all form an extended family to whom they can look up for any guidance, support and help to move ahead in life as professionals in their study programmes they have opted for.

All the programs offered by HPTU follow the Choice Based Credit System (CBCS) with Outcome Based Approach. The flexibility in the curriculum has been designed with industry-specific goals in mind and the educator enjoys complete freedom to appropriate the syllabus by incorporating the latest knowledge and stimulating the creative minds of the students. Bench marked with the course of studies of various institutions of repute, our curriculum is extremely contemporary and is a result of brainstorming efforts of great think-tanks: faculty members, experts from industries and research level organizations. The evaluation mechanism employs continuous assessment with grade point averages. We sincerely believe that it will meet the aspirations of all stakeholders – students, parents and the prospective employers. Special care is being taken to implement National Education Policy (NEP) – 2020 focusing on its various components including skill development, multiple entry – exit, etc.

You shall learn how to think logically, deal with uncertainty, apply technology in a socially and environmentally responsible manner, communicate effectively and collaborate with others. Always remember that knowledge, know-how (skill), entrepreneurship and hard work coupled with dedication, devotion, determination and discipline are the keys to success. We, at HPTU, lay special emphasis on nourishing and motivating our students to “... become job providers than becoming job seekers ...” when they go out to serve the society and the nation.

I extend hearty welcome to all those who are desirous of seeking admission in our campuses and constituent affiliated institutions located throughout the state of Himachal Pradesh. I am confident and wish that it acts as a stepping stone for you towards a successful career in the fascinating world of professional education. I am sure, HPTU will prove to be a ‘home away from home’ to all of you.

Good Luck!
